Property Description

European Grandeur Steps from Vail's Gondola

In the five-bedroom Arrabelle Chalet, imported French and Austrian antiques craft the iconic warmth and character of the European Alps-in the heart of Vail Square, steps from the gondola. Oversized windows reveal picturesque views of the Square's clock tower and quaint ice-skating rink on one side, and the gondola and ski terrain on the other (arguably the best ski-in, ski-out location on the Mountain).

LAYOUT: 4,000 sq. ft. private residence perched atop Vail Square's Arrabelle; Five Bedroom/4.5 Bathroom (Three King Suites, One Suite with Two Queens, One Kids' Bunk Room).

PRIVATE OUTDOOR TERRACES AND VIEWS: A gigantic wrap-around terrace looks directly at Eagle Bahn Gondola and Vail Mountain, with the bustle of Vail Square below. The private terrace has multiple lounging and sitting areas and a commercial gas grill.

INTERIOR/ART: Gourmet "Entertainer's Style" Kitchen, Great Room with Fireplace, Entertainment setup with state-of-the-art iPad-operated system; Media room equipped with wii and NetFlix. A grand arched stone entry, octagon living room and imported French and Austrian antiques create the inviting warmth and character of an authentic chalet.

AMENITIES: A personal on-site concierge/host assists guests from pre-arrival planning to departure with the objective of creating a highly unique Vail Experience. Guests of the private chalet treat themselves to the award-winning Arrabelle at Vail Square's luxurious spa and fitness pavilion and rooftop pools.

AWARDS: Highest rated Four Diamond property in Colorado; Conde Nast Traveler's Gold List; Conde Nast Traveler's Readers' Choice Awards- Ranked #8 in the Top 50 Ski Hotels in North America (2011)
