Property Description

Contemporary Hawaiian Elegance

The Four Seasons Hualalai is widely acknowledged as Hawaii's preeminent resort and one of the most celebrated settings in the World-and Cuvée's custom-designed contemporary estate perched on the resorts' private golf course is truly second to none. The state-of-the-art corner-less pocket doors smoothly disappear to embrace an endless Pacific Ocean.

LAYOUT: This magnificent island-inspired, custom home features over 6,300 sq. ft. of elegant living space with four bedrooms-each complete with separate garden outdoor shower lanais-as well as a fifth bedroom in an intimate guest house.

PRIVATE OUTDOOR TERRACES AND VIEWS: Infinity edge and integrated negative edge circulation pool, with two water terraces, an oversized hot tub and a custom designed stone fire pit create a seamless transition from indoor to outdoor space. The estate is encompassed by unobstructed golf course, ocean and island of Maui views, with a "sunset terrace" to watch the iconic Hawaiian sun as it dips into the ocean.

INTERIOR/ART: A bistro-style gourmet kitchen, clean and elegant contemporary Hawaiian design, temperature controlled wine cave and a round dining area with a floating chandelier are some of the Cuvée details that make the estate incredibly special.

AMENITIES: A personal onsite concierge is included with the villa, as well as all Four Seasons Hualalai amenities and services including: a world-renowned indoor-and-outdoor spa, a celebrated kids' program, man-made snorkeling pond, fitness pavilion, several highly rated restaurants, and five pools.
